"By law, you may choose another licensed Smog Check facility to perform any needed repairs or adjustments that the Smog Check test indicates are necessary."

WARNING Motor vehicles contain chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. These chemicals are contained in many vehicle components and replacement parts, vehicle fluids, and paints and materials used to maintain vehicles, including, but not limited to, fuel, oil, batteries, brakes, and wheel balancing weights. When you service, clean or maintain your car, you will be exposed to listed chemicals contained in used oil, waste and replacement fluids, fumes, grease, grime, touch-up paint, certain replacement parts, and particulates from component wear. When we service your car, we will return used components to you upon request. Used parts and components contain chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.
To minimize your exposure when servicing, maintaining or cleaning your vehicle: 1) work in a well ventilated area; 2) do not smoke, drink or eat while working; 3) wash your hands when finished or when taking a break; and 4) follow all manufacturer instructions pertaining to proper use and maintenance of motor vehicles and vehicle components. (Posted in accordance with Proposition 65 in Cal. Health & Safety Code §25249.5 et seq.) For further information about Proposition 65, go to <http://www.oehha.ca.gov/proposition65.html>.

Our charges for labor are not based on actual mechanics time, but are established by multiplying our retail labor rate by industry time allowances or our own judgment of the time to be charged. You will be charged no more than the estimated price approved by you. However, if we discover that different or additional repairs are indicated, you will be contacted for your advance approval of a revised estimate.
